Regional Arts Victoria inspires art across the state. Through creative facilitation, touring, education, specialised resources, artistic projects and advocacy, we develop and sustain creative communities and artistic practice all over Victoria.

Meg has engaged with Regional Arts Victoria's Arts & Education program for a number of years, drawing on her extensive knowledge in the field of arts in education and specifically Drama, and the VCE Drama and Theatre studies curriculum.

Meg has been engaged by Regional Arts Victoria to create education resources for programs specifically relating to the VCE Drama and Theatre Studies curriculum. Meg has also volunteered her time to support the Arts & Education program advising on the curriculum, as well as through contributing invaluable feedback throughout the consultation process and selection of the annually curated program.

Meg's work with Regional Arts Victoria has been thorough and considered, with great attention to detail and effort to deliver information in a way appropriate for the specific audience. She is widely known and respected in the field and this support is vital to the program, demonstrating her keen appreciation for the artform and the education sector.

She presents a professional manner in an approachable and accessible way. This is a delight to work with, as it entrusts confidence in her knowledge and experience. We look forward to working with her again and imagine she would be an incredible asset to any team.

Please do not hesitate to contact Pippin Davies for any further information we can provide.
